Course Announcement: **Methods of Enhancing Safety Education**
Course Number: P-1602
Dates & Time: April 16 – 17, 2016 9:00 AM – 5:00 PM
Location: Seward Volunteer Fire Department

COURSE DESCRIPTION:

This 2-day course is designed for those who coordinate or assist their organization in public education. Course content emphasizes three simple methods for establishing “roots” in public fire and life safety education: personal commitment to public education; determining and improving the organization’s role in public education; and enhancing programs through greater community support.

TARGET AUDIENCE:

Those who serve on local or State prevention or public education committees, Fire suppression personnel or volunteer firefighters who coordinate public education, EMS personnel who coordinate programs such as basic life support. Community volunteers wishing to enhance fire and life safety efforts. Local schoolteachers who teach safety topics.

STUDENT RESPONSIBILITIES:

Course materials will be provided to registered students at the beginning of class. Students must satisfactorily complete each section of the class. The student or his/her sponsoring agency is responsible for all costs, transportation, food, and lodging. 100% attendance and participation is required.

Cancellation deadline: You may withdraw from the course 2 weeks before the start date without cost. In order to withdrawal, you must notify TEB in writing before the cancellation deadline. Cancellations received after this deadline will not be honored and you will be charged the full contractual amount.
