Aggressive Driving Awareness

(ANCHORAGE, Alaska) – Yesterday, as a part of our ongoing efforts to curb major injury and fatal collisions on Alaska’s roadways, the Department of Public Safety released a public service announcement in hopes of reducing dangerous driving such as speeding, passing in no passing zones and tailgating. The PSA provides safety information the motoring public. It will run on some television and radio stations and on GCI cable July 10th through 24th.

The PSA can be viewed on You Tube:

Unfortunately, Alaska has experienced 35 roadway fatalities since the beginning of 2014. DPS encourages all motorists to use extra care and practice safe driving behaviors at all times while traversing Alaska’s roads.
