Re: SOA v. William Perry  
Case No.: 3AN-06-04149

Dear Mr. Fayette:

This letter is to confirm that Mr. Perry is surrendering his Alaska Police Standards Certification and will not reapply for a certification until such time as he is off probation.

Mr. Perry also is agreeing to not contest any administrative revocation of his Police Standards Certification. I am uncertain as to whether or not the actual paper certificate needs to be surrendered, or if this letter will suffice. If more is required, please notify me accordingly.

Sincerely,

  
William R. Satterberg, Jr.

I concur:

  
William Perry

WRS/as

cc: Executive Director, Police Standards Council

This email confirms my receipt of your letter dated May 19, 2006. In that letter, you acknowledged your client's voluntary relinquishment of his Alaska Police Standards Council certificate, his commitment to refrain from contesting adverse APSC administrative action, and his agreement to not reapply for a certificate during his probationary period.

I regard your letter as sufficient to fulfill your client's obligations pursuant to his plea agreement. By cc of this email to the APSC executive director, I will inform him of my position on this issue.

Best regards. -JF
