ALASKA'S CHALLENGE

The collective efforts of the Council and its funded programs have ameliorated the effects of domestic violence and sexual assault. Alaska, however, continues to face tremendous challenges.

- ❖ 13.3% of Alaska high school students reported having been hit, slapped, or physically hurt on purpose by their boyfriend or girlfriend during the past 12 months.
- *Alaska Youth Risk Behavior Survey, 2009*
- ❖ While Alaska has ranked among the top five states in the nation for forcible rape rates for the past three decades, there may be signs of change. In 2008 rates of forcible rape dropped by 13.2% making the total number of forcible rape incidents decline to 446 – below the number of cases reported in 1999. However positive this decrease appears, the forcible rape rate per 100,000 people still remains high compared to other states at 64.3 per 100,000 persons.
- *Uniform Crime Reports 2000-2008*
- ❖ 10.1% of Alaska high schools students reported having been physically forced to have sexual intercourse when they did not want to.
- *Alaska Youth Risk Behavior Survey, 2009*
- ❖ As of 2008 projections, Native Alaskan women make up approximately 16.2% of the total female population within Alaska. However, in a study published in 2008 based upon data ranging from 1996 to 2004 gathered by sexual assault nurse examinations, 56% of those receiving examinations pertaining to sexual assault incidents were Alaska Native women.
- *Rosay and Henry, 2008*
- ❖ Between 2004 and 2005 approximately one quarter of the all homicides in Alaska resulted from intimate partner violence (22%) or jealousy due to a lover's triangle (5%).
- *National Violent Death Reporting System, December 2008*
- ❖ The homicide rate among females murdered by males in Alaska was 2.44 per 100,000 in 2007, placing Alaska 2nd in the United States.
- *The Violence Policy Center, September 2009*
- ❖ Nearly 75% of Alaskans have reported experiencing or knowing someone who has experienced Domestic Violence or Sexual Assault.
- *ANDVSA Public Opinion Research Survey, 2006*
- ❖ 43% of the Domestic Violence cases handled by the Alaska State Troopers in 2004 were in the presence of children.
- *Alaska Justice Forum, Fall 2008*

2009 HIGHLIGHTS

A YEAR TO REBUILD AND STRENGTHEN:

The Council continued the rebuilding that began in 2007, focusing on strengthening Alaska's response to domestic violence and sexual assault.

CDVSA LEGISLATIVE TASK FORCE:

In 2007, HB 215 established the CDVSA Legislative Task Force which culminated with a report to the legislature issued March 1, 2008. The Task Force provided a series of recommendations, the most overarching being the need for a CDVSA Strategic Plan. In FY 2009 the Council, guided by a mission to provide safety through a system of statewide crisis intervention, perpetrator accountability and prevention services, crafted a 10-year Strategic Plan. After subsequently sharing the Strategic Plan with the Alaska legislature, HB63 was introduced and passed in April 2009 to advance heightened collaboration from rural areas as well as to strengthen intra- governmental communication between departments.

CDVSA SPECIAL PROJECTS IN FY2009:

- Enhanced training and prevention in Alaska by managing and securing grants for:
 - Tribal-State Forums on Domestic Violence and Sexual Assault; the last two of nine forums were held in FY2009 training a cumulative 442 rural first responders in the past two fiscal years
 - Court-based legal advocate program was provided in six communities: Barrow, Kotzebue, Fairbanks, Palmer, Anchorage and Kenai
 - Youth programs focused on healing, prevention and outreach were funded in five victim service programs representing the communities of Valdez, Bethel, Cordova, Kenai, and Juneau

- Distributed the last of a three year special \$5 million federal appropriation to community victim service providers, law enforcement, prosecution and the Alaska Court system that is increasing:
 - Sexual assault response team (SART) services
 - Services to rural Alaskans
 - Prosecution of sexual assault and domestic violence crimes
 - Services in domestic violence and sexual assault programs

LEGISLATION

LEGISLATION RELATED TO DOMESTIC VIOLENCE AND/OR SEXUAL ASSAULT PASSED IN THE 1ST SESSION OF THE 26TH ALASKA LEGISLATURE

HB 63, Council on Domestic Violence & Sexual Assault

This bill:

- Expanded the Council on Domestic Violence and Sexual Assault to include representation from the Department of Corrections and from the rural communities, raising Council membership from seven to nine
- Moved Council staff, except the Executive Director, from exempt service to classified service in an effort to enhance recruitment and retention of qualified employees.

HCR 11, Sexual Assault Awareness Month

The resolution proclaimed April 2009 as Sexual Assault Awareness month in Alaska.

VICTIM SERVICE PROGRAMS

The Council provides funding for victim service programs throughout the state. These programs provide immediate and safe sanctuary, prevention services, crisis interventions, advocacy services, educational information and support to victims. Essentially, victim service programs inform and aid victims, and communities at large, towards healthy and safe choices for themselves and their families.

THE PROGRAMS PROVIDE:

- Shelter, crisis intervention, personal advocacy, legal advocacy, children's services, case management, education, information and referral, counseling, and support groups
- Coordination of services to communities in their service delivery areas, from as few as 3 villages to as many as 56
- Outreach, including safe houses within villages, working with the community leaders, and providing education and training
- Leadership in their communities through domestic violence/sexual assault community coalitions and partnerships that support prevention and intervention activities
- Prevention activities with youth on healthy relationships, building leadership and peer educator skills; community media and social norm campaigns and awareness focused on ending the tolerance of violence

Tundra Women's Coalition (TWC) Bethel. TWC's recently completed shelter facility.

PROGRAM SERVICE AREAS:

Since it is not possible to have shelters in every village, programs must provide outreach services to many other communities. Program outreach requires a formalized system in place to contact villages on a regular basis. The purpose of outreach is to work with the village community to provide training, resources, and information to address the issues of domestic violence and sexual assault, stalking, and dating violence. A listing of villages served by each program begins on page 17.

COLLABORATION WITH LAW ENFORCEMENT:

Many programs cover large areas of the state that are not connected by the road system. This presents a challenge to providing immediate safety. Program staff work closely with Village Public Safety Officers, Village Police Officers, the Alaska State Troopers, Health Aides and other community services to ensure safety. Many programs also support a network of volunteer “safe homes” in villages and small towns where victims can find temporary shelter until the perpetrator is removed or they can come to the “hub” community shelter.

TRANSPORTATION BARRIERS:

The high cost of air transportation needed to bring victims to safe shelter is a challenge. Tickets for a family to reach safety can be up to \$2,000 or more. Programs struggle with finding the resources to provide this essential service.

BATTERERS INTERVENTION PROGRAMS

PROGRAMS IN THE STATE OF ALASKA:

The Council approves batterer intervention programs according to Department of Corrections regulations (22 AAC Chapter 25) and reviews them for continued compliance on a biennial basis. The Council provided small grants to eight of the programs.

During FY09 fifteen batterer intervention programs operated in Alaska; twelve were community based Batterers Intervention Programs (BIP) and three were Prison Batterers Programs (PBP). All of these programs have the primary goal of victim safety. The Council collaborates with the Department of Corrections to provide these programs.

In FY09, the overwhelming majority of participants admitted into batterers' programs were court ordered. Most participants completed their programs; completion is associated with lower risk of re-offense. Programs are available in Anchorage, Barrow, Fairbanks, Homer, Juneau, Kenai-Soldotna, Kodiak, Valdez, and Ketchikan. Many areas of the state still lack ready access to a batterer intervention program.

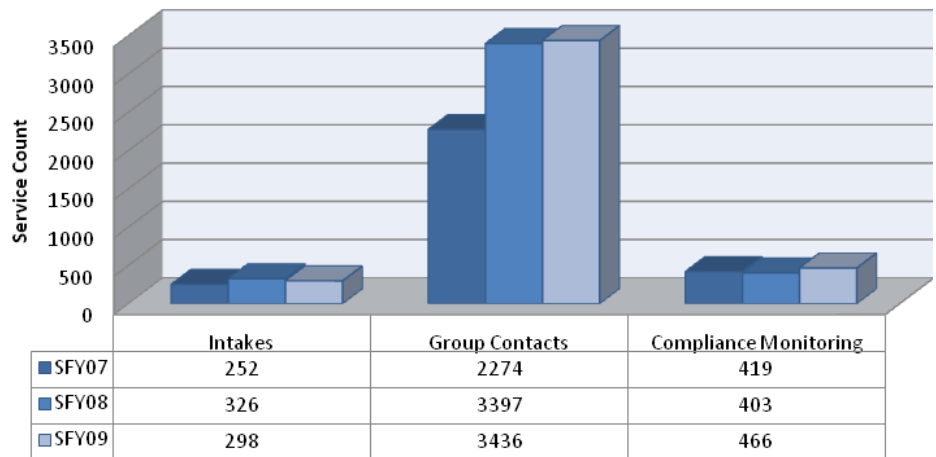

ABOUT BATTERER INTERVENTION PROGRAMS

Approved batterer intervention programs that prioritize victim safety are an important part of a coordinated community response to the crime of domestic violence. As one element of a broader system designed to hold perpetrators of domestic violence accountable for their actions, they are significant but cannot work in isolation. A strong, integrated criminal justice response is also needed. The arrest, incarceration, and sentencing of perpetrators to enroll in a batterers' program gives a clear message that abusive behaviors will not be tolerated. A swift consequence for a failure to comply with court orders reinforces that message.

BIP/PBP STATISTICS AND TASK FORCE:

A task force has been put together to analyze CDVSA funded BIP and PBP programs. The Task Force will make recommendations on how BIP and PBP programs can be improved and how to further enrich data gathering and reporting techniques to understand the effectiveness of BIP/PBP programs and their needs within the State of Alaska.

STOP VIOLENCE AGAINST WOMEN GRANT PROGRAMS

KEY AREAS:

The Council funds a variety of programs through federal STOP (Services • Training • Officers • Prosecutors) Violence Against Women Act Grant funds. This grant funds four key areas in the fight against domestic violence and sexual assault: law enforcement, prosecution, courts, and victim service. FY2009 funding highlights are:

DEPARTMENT OF PUBLIC SAFETY

- Funded an Alaska State Trooper coordinator position, a lead law enforcement trainer in the state who focuses specifically on domestic violence, sexual assault and stalking
- The AST trainer provided training to over 900 people across the state, including law enforcement, service providers and community members
- Funds paid for sixty municipal law enforcement officers and Alaska State Trooper staff to attend a statewide joint conference with victim advocates
- Funds paid for DNA analysis at the state crime lab. This funding was vital in continuing the reduction of the DNA backlog. All cases awaiting analysis prior to 2007 have been cleared. One example of success: 43 profiles were obtained and uploaded into CODIS, resulting in 16 matches
- New technology was purchased for use during investigations specific to violations of protective order cases as well as stalking cases. These new items have been strategically placed around the state and local municipal police departments have access to the technology. Agencies where the items are housed received training on the new technologies. Over the past year the Alaska State Troopers have analyzed over 100 cell phones with the new tools

ALASKA COURT SYSTEM

- The Court System continued to provide telephonic language interpretation services to parties in domestic violence protective order hearings as requested
- Training was provided to magistrates and district court judges
- Regional Clerks of Court training was implemented this year

DEPARTMENT OF LAW

- Funded the criminal division's statewide victim witness coordinator position to provide statewide oversight of victim witness services which address the needs of victims of domestic violence, sexual assault, and stalking, and to ensure compliance with Alaska statutes requiring notification of criminal proceedings
- Funded the annual 2-day District Attorney Conference
- Funded series of advanced trial skills training for prosecutors
- Funded regional and telephonic training for paralegals

ALASKA NETWORK ON DOMESTIC VIOLENCE & SEXUAL ASSAULT

DOMESTIC VIOLENCE/SEXUAL ASSAULT LEGAL TRAINING FOR ADVOCATES AND ATTORNEYS

- Provided training for victim advocates, attorneys, law enforcement officers, court system personnel, guardians *ad litem*, and child custody investigators
- Sponsored a Continuing Legal Education (CLE) training to increase the availability of effective legal representation to victims of domestic violence and sexual assault in divorce, child custody, and protective order proceedings

TECHNICAL ASSISTANCE

- Provided case consultations to legal advocates, attorneys and other social service providers through phone, e-mail, and web based communication
- Published and updated legal resource materials including the Women's Legal Rights Handbook, booklet on Out-of-State Enforcement of Protective Orders, Family Law Practice Manual, and Legal Advocacy Curriculum

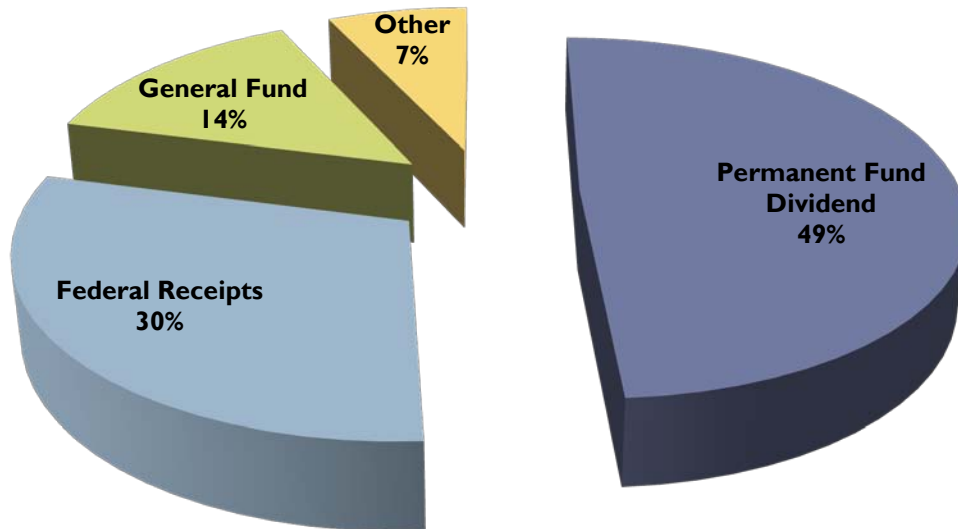

DIRECT REPRESENTATION

- Trained and recruited volunteer attorneys and placed 60% of cases referred with volunteer attorneys
- Operated the Information & Referral Hotline, with volunteer lawyers answering requests for information and assistance from victims

FUNDING SOURCES

FY09 Funding - \$11,453,200

FEDERAL FUNDING SOURCES

FAMILY VIOLENCE PREVENTION SERVICES ACT (FVPSA)

FVPSA provides federal funding to all states. The Council uses this funding to finance domestic violence programs throughout Alaska. All programs receiving these grant funds provide shelter or related assistance to domestic violence victims and their children. The programs operate shelter facilities that are staffed around the clock and provide a full spectrum of services including basic food and immediate shelter, crisis intervention, counseling, and advocacy.

VICTIMS OF CRIME ACT (VOCA)

Administered by the Dept. of Justice Office of Victims of Crime, VOCA funds provide financial support to state and local agencies that offer services to crime victims. This fund is a U.S. Treasury account generated entirely by the fines and penalties levied against criminals convicted of federal crimes. As such, the amount available in this fund can vary greatly from year to year. The Council awards the majority of this funding directly to programs that provide services to victims of domestic violence, sexual assault, and other violent crimes.

U.S. DEPARTMENT OF JUSTICE OFFICE OF VIOLENCE AGAINST WOMEN GRANTS

S.T.O.P. (SERVICES • TRAINING • OFFICERS • PROSECUTORS) GRANT

VAWA STOP grants serve to improve the national response to domestic violence and sexual assault by combining a series of federal sanctions and initiatives as well as national, state, and local resources to improve the response to crimes against women. S.T.O.P. funds are committed to four specific areas: prosecution, law enforcement, victim service, and courts. S.T.O.P. is awarded to all states and territories through a federal formula that uses a base amount plus a consideration for population. Activities funded under this grant are described on pages 11-12.

RURAL DOMESTIC VIOLENCE AND CHILD VICTIMIZATION GRANT (RDVCV)

The primary purpose of the Rural Program is to enhance the safety of victims of domestic violence, dating violence, sexual assault, stalking, and child victimization by supporting projects uniquely designed to address and prevent these crimes in rural jurisdictions. In FY 2009, this grant funded projects in five rural areas of the state.

SUPERVISED VISITATION AND SAFE EXCHANGE GRANT PROGRAM (SVSEP)

The Safe Havens: Supervised Visitation and Safe Exchange Grant Program (Supervised Visitation Program) provides an opportunity for communities to support the supervised visitation and safe exchange of children in situations involving domestic violence, dating violence, child abuse, sexual assault, or stalking. Studies have shown that the risk of violence is often greater for victims of domestic violence and their children after separation from an abusive situation. Visitation and exchange services provided through the Supervised Visitation Program exhibit a clear understanding of the dynamics of domestic violence, dating violence, sexual assault and stalking; the impact of domestic violence on children; and the importance of holding offenders accountable for their actions.

STATE FUNDING SOURCES

DEPARTMENT OF HEALTH AND SOCIAL SERVICES

In FY2009, the Department of Health and Social Services (DHSS) provided funds to the Council for Sexual Assault Prevention activities. These funds were from the federal Sexual Assault Prevention (SAP) and Rape Prevention and Education (RPE) grants. The majority of these grants fund education programs delivered in schools by victim service programs in Anchorage and Juneau.

DEPARTMENT OF CORRECTIONS

Department of Corrections (DOC) contributes funds to the Council to administer the Batterer Intervention and the Prison Batterer Programs.

PERMANENT FUND DIVIDEND (PFD)

Incarcerated felons and qualifying misdemeanants forfeit PFDs to the state. The state allocates these funds to the Council for victim services, the Office of Victim Rights, the Violent Crimes Compensation Board and the Department of Corrections for programs.

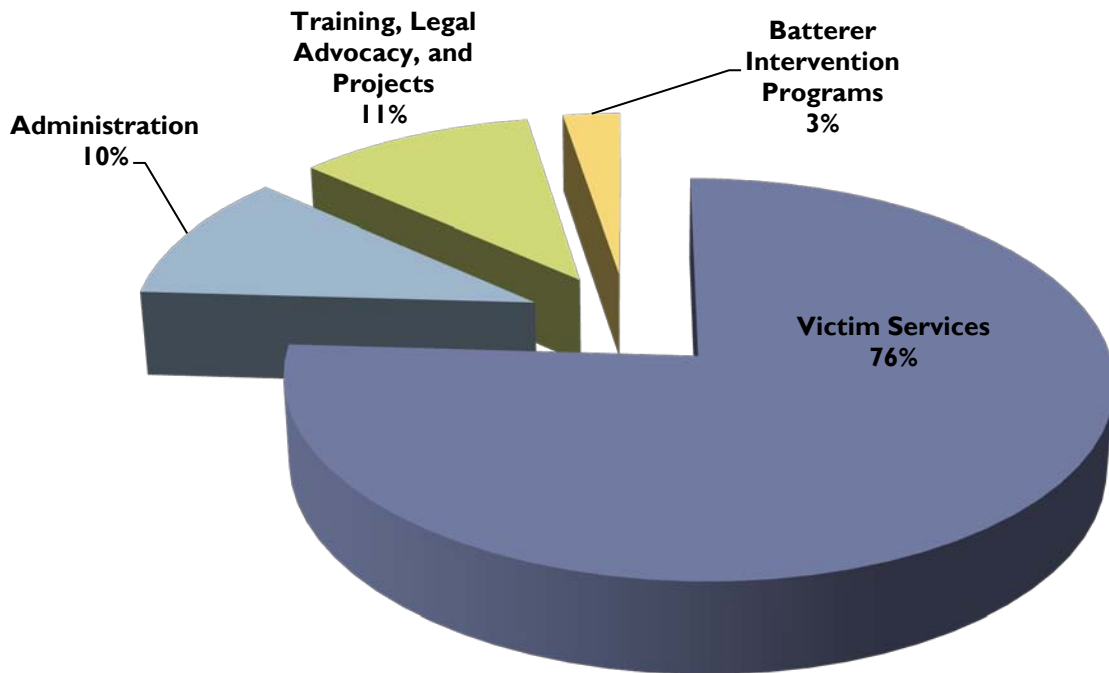

ALASKA GENERAL FUND

General funds comprise a portion of the budget; they are used to support victim service programs and Council administration.

SUMMARY OF EXPENDITURES

The Council continues to disburse the great majority of its budget directly to community victim service agencies. The 11% designated for Training, Legal Advocacy, and Projects is predominantly spent towards enhancing the expertise and ability of community service providers' response to domestic violence and sexual assault.
