

MEMORANDUM

STATE OF ALASKA

Department of Law - Criminal Division

To: All Criminal Division Attorneys

Date: March 6, 2018

From: John J. Novak JJN
Assistant Attorney General
Counsel for the Department of Public
Safety

Subject: Accredited Private Forensic
Laboratories (DNA Analysis)

The purpose of this memorandum is to provide updated assistance to prosecutors in identifying private forensic laboratories that provide DNA analysis services and, as of the date of this memorandum, are accredited to ISO/IEC 17025. Laboratories accredited to that standard have demonstrated, through an on-site inspection, that its management, personnel, quality system, operational and technical procedures, equipment, and physical facilities are in compliance with established scientific standards. The below is not a complete listing of all accredited laboratories. In addition, inclusion of a laboratory on this list is not an endorsement of the laboratory by the Alaska Scientific Crime Detection Laboratory.
