

12/12/14 VOC day Infield Instrument Review

100373 Seward PD: VOC showed instrument reading at bottom of tolerance. Requested the external standard cylinder be changed.

100424 Eileson: VOC showed instrument reading at bottom of tolerance. Requested the external standard cylinder be changed.

100371 Bethel PD: 1 Standard out of range. Instrument seems to be reading at low end of tolerance. Sent a replacement instrument.
