

This form **must be completed and turned in** to the
Alaska Department of Fish & Game.

Remove the antlers from the skull plate and turn them in to the
Alaska Department of Fish and Game **along with the attached form**.
**If your roadkill is from the Anchorage area or Mat-Su Valley the 5-inch section
of lower jaw with front teeth and antlers must be brought to the local office for
sampling and removal of any antlers.**

Bring the *required specimens along with this form to the nearest
Alaska Department of Fish and Game office. You may keep the head
after testing if you wish.**
