Change in Instrument Status Form

Effective: 11/10/2021

Version: 2.0

Date: 4/1/2022 _____ Instrument #:100360 _____

Instrument Location: Sand Point PD _____

Supervisor Name and Agency: Carlie Glaister SCDL _____

Describe the Status Change or Issue with the Instrument:

During IFIR (2022.01.04 - 2022.02.21 completed on 03/22/2022) it was noticed that a VOC that was in DMHost was not on the website (VOC 100360-2021-10-24). This VOC was printed out, technically reviewed, and passed on to Brandi Barnett to sign and add to the website. A change in instrument status form is being used to document this due to the gap in time until this was discovered.

If instrument was placed in service or removed from service, fill out the appropriate sections below.

In Service Date/Time: na _____
