

MAT-SU CIT ACADEMY

October 27-31, 2025

@ WASILLA POLICE DEPARTMENT

Learn about mental health topics, Mat-Su specific community resources, and de-escalation techniques for interacting with individuals experiencing a mental health or addiction crisis.

- Employ tactics to safely manage crisis situations.
- Ensure the safety of the officers and citizens.
- Recognize the signs of individuals experiencing mental health or addiction-related crisis in the community.
- Reduce recidivism by partnering with local service providers to direct individuals in crisis to support beyond the criminal justice system.

Scan or click the QR code below to fill out the interest form:

Class size is limited to 30 students. Preference is given to previously waitlisted students and Law Enforcement and First Responders in the Mat-Su Valley.

Interested students will be contacted via email to confirm registration
