

MAT-SU CIT ACADEMY

October 14-18, 2024

@ WASILLA POLICE DEPARTMENT

Learn about mental health topics, Mat-Su specific community resources, and de-escalation techniques for interacting with individuals experiencing a mental health or addiction crisis.

- Employ tactics to safely manage crisis situations.
- Ensure the safety of the officers and citizens.
- Recognize the signs of individuals experiencing mental health or addiction-related crisis in the community.
- Reduce recidivism by partnering with local service providers to direct individuals in crisis to support beyond the criminal justice system.
