

PEER CENTERED CRISIS RESPONSE SIMULATION

Crisis Now Model

Behavioral Health Emergency

ROLES:

- PEER SUPPORT SPECIALIST
- BEHAVIORAL HEALTH ASSOCIATE
- CLINICIAN
- FIRST RESPONDER
- OBSERVER

This Peer Centered Crisis Response simulation experience intends to provide a safe learning environment for members of crisis response teams to collaboratively engage in their unique roles with community members in crisis who need supportive, compassionate, and least restrictive interventions and services.

CALL CENTER

MOBILE CRISIS TEAM

STABILIZATION CENTER

This simulation involves an “unfolding” scenario that incorporates the various settings and approaches through which clients can be supported by the Crisis Now model, including a Crisis Call Center, Mobile Crisis Response Team, and a Crisis Response Center.
