Initial Response Strategies and Tactics When Responding to Missing Children Incidents

📅 August 12-13, 2021 | 📍 Virtual

In the initial response to endangered missing or child abduction incidents, accurate and timely situational assessments, and immediate resource deployment are critical. During this training, first responders will gain knowledge of the investigative activities that occur during an endangered missing or child abduction investigation, and how their actions influence the short- and long-term response of law enforcement. Learn the impact the missing and/or abducted child incident has on the family and how this can impact your response. Examine the critical and necessary first steps for first responders and gain best practices and strategies for search and canvass implementation.
